My Happy Mind	Meet your Brain (5 lessons)	Celebrate (4 lessons)	Appreciate (3 lessons)	Relate (3 lessons)	Engage (4 lessons)	
Computing	E-safety (1 week) Logging on and off (1 or 2 weeks) Code.org- mouse skills (4 or 5 weeks)	E-safety (1 week) Computing Systems inc Mouse Skills Assessment (6 weeks)	E-safety (1 week) Algorithms Unplugged inc Assessment (1 week) Algorithms Unplugged (4 weeks)	E-safety (1 week) Programming 2- Option 2 Virtual Bee-Bot (3 weeks)	E-safety (1 week) Creating Media- Digital Imagery (6 weeks)	Data Handling- Introduction to Data Inc Assessment (6 weeks)

Transition from Reception to Year 1 curriculum

Transition from EYFS to Year 1 is a very important time in a child's development and time in school. We value transition highly at Battling Brook Primary School and therefore have set protocols and procedures that ensure a smooth and worthwhile transition.

Learning Environment, Curriculum and Resources

Term one

- *The learning environment in the Year 1 class will reflect as far as possible as that of EYFS.*
- *In the second half of the Summer Term before children enter Year 1, they will have opportunities to visit and play in the Year 1 areas, slowly introducing them to their new environment.*
- *Children should initially be provided with a similar morning routine to that in Foundation Stage, making transition easier.*
- *Children will attend praise assembly in Reception during the Spring and Autumn. In Year 1, children will attend all assemblies.*
- *In Year 1, the level of adult and child initiated activities will initially reflect that of EYFS. As the children mature, the level of adult led learning will increase.*
- *Play based learning will continue in Year 1, following a skills based creative curriculum, which will build upon their learning from EYFS.*
- *Year 1 staff will provide opportunities for active, independent learning through play based activities.*
- *Resources in Year 1 will show progression from and provide more challenges from those in EYFS. Access to play-based learning activities such a sand, water, construction, small world and role-play will initially be continued within Year 1.*
- *Teachers in Year One will monitor the cohort and agree as a team when it is appropriate to begin to move the children in to more formal whole class teaching.*
