Dear Parents/Carers

As part of our curriculum - Understanding the World, the children take part in a 'Forest School' session each week.

These sessions help to develop many areas of learning for the children. For example:

- Communicating with each other
- Self-regulation
- Listening skills
- Safety and rule following
- Fact about nature and the environment
- Physical development
- Resilience
- Collaboration

During these session we will:

- Play team games
- Den build
- Bug hunt
- Plant bulbs and seeds and monitor their growth
- Bird watching and making bird feeders
- Explore the mud kitchen
- Water play and investigations
- Climbing and exploring.

To enables us to provide the resources needed we ask for a voluntary donation of £15 per academic year (£5 per term). This is payable via the School Gateway app so please ensure that you have activated your account and make the payment before the deadline of Friday 26<sup>th</sup> September.

Many thanks  
The Reception Team
