Statement of intent

This policy is designed to outline **Battling Brook Primary School's** procedures regarding visitors to the premises.

This policy will enable our school to:

- Safeguard and protect the welfare of pupils and staff members.
- Prevent unnecessary disruption to lessons and other educational activities.
- Protect our grounds and facilities from vandalism and misuse.
- Engage with the community and outside educational influences in a structured and productive manner.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Health and Safety at Work etc. Act 1974
- DfE 'Keeping children safe in education 2025'
- Childcare Act 2006
- Education Act 1996
- Home Office 'Prevent duty guidance: Guidance for specified authorities in England and Wales'
- DfE 'Political impartiality in schools'

This policy operates in conjunction with the following school policies:

- Child Protection and Safeguarding Policy
- Health and Safety Policy
- Contractors Policy
- Volunteer Policy

2. Authorisation

Individuals who would like to visit the school, but are not in contact with a member of staff regarding this, will arrange their visit through the school office, who can be contacted on **01455 634701**

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they are from where applicable.

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office for the Head Teacher's authorisation.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the Head Teacher/other staff members where these members of the school staff are happy to do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined in the visiting procedures section of this policy.

3. Safeguarding

The school is committed to promoting the safety of all pupils and may require visitors to produce a current DBS

Prior to arranging a visit, the Head Teacher will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:

- The educational value of the visit.
- The age appropriateness of what is going to be delivered.
- Whether relevant checks will be required.
- Whether the visit could bring the school into disrepute.
- How compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

The suitability of potential speakers and agencies will be scrutinised in line with the Guest Speaker Policy.

A visitor will require an enhanced DBS check with children's barred list information if they will be undertaking 'regulated activity' at the school.

For visitors at the school in a professional capacity, the school will check their ID upon arrival and receive assurance that the visitor has had the appropriate DBS check. The school may not ask to see the DBS certificate in these circumstances.

The Head teacher and/or DDSL's will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

The Head Teacher will use their professional judgement to determine whether a visitor should be escorted or supervised while on school premises.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils. The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.

The school will adhere to the Prevent Duty as per the Safeguarding Policy at all times when managing the risk of potential harm to pupils from visitors.

4. Visiting procedures

All visitors to the school, including parents, will comply with the following procedure:

- Immediately report to the school reception area on arrival
- Provide their details to the school office staff, including:

- Name.
 - Purpose of visit.
 - Name of pupil the visit pertains to/staff member who arranged the visit.
 - Expected length of visit.
- Sign-in using the electronic system
 - Display ID stickers provided at all times while on school property
 - Sign-out using the visitors' book upon departure
 - Return ID stickers to the school office upon departure

Visitors will be briefed prior to the visit on any requirements, such as proof of identity, they should be aware of and provided with a copy of relevant procedures, e.g. a summary of key safeguarding and health and safety information.

Visitors will be made aware of school policies/procedures as relevant upon signing in, including those in relation to health and safety, reporting a concern and emergency procedures.

Visitors will be advised that the school is a non-smoking area and smoking is not permitted anywhere within school grounds.

Visitors will be advised that mobile phones should be switched off and out of sight at all times.

Prior to the visit, all visitors will be made aware of any specific parking arrangements which the school has in place.

5. Exceptions

Visits to the school by contractors will be managed in line with the Contractors Policy.

Visitors attending scheduled open days, sports events or other 'by-invitation' school activities will be exempt from the visiting procedures outlined in the visiting procedures section of this policy.

Anyone attending school events will be instructed to keep to the areas of the school grounds where the events are taking place (e.g. the sports field, school hall).

6. Unidentified individuals

It is the responsibility of all staff members to politely question any individual who enters the school premises unaccompanied and/or without a clearly displayed name badge.

Any such visitors will be directed to the school office where they can sign-in.

If a visitor cannot be identified, the Head Teacher will be informed immediately.

If a visitor refuses to report to the school office, or becomes aggressive or abusive, they will be asked to leave the premises and the police may be called to assist.

7. Visitor conduct

Visitors will also be advised of the conduct expected of them whilst visiting the school, and in particular the requirement to ensure that visitors speak and behave in a manner which complies with the school's ethos of equality, diversity and inclusion.

The school reserves the right to escort individuals from the premises who act in an aggressive or threatening manner towards staff members, pupils, governors, parents or other visitors.

Under section 547 of the Education Act 1996, it is an offence for any person who is on school premises without legal permission to cause or permit a nuisance or disturbance on school premises; therefore, the police may be contacted to assist in the removal of individuals from the premises, where necessary.

The school will consider barring individuals from the premises if they are deemed to be aggressive, abusive, or using insulting behaviour or language and posing a risk to staff and pupils. In this situation, the individual will be informed that they have been barred or that there is an intention to bar them. The individual will be allowed the opportunity to present their case. The barring may be temporary until the individual has had the opportunity to formally present their side or the individual can be advised that there is an intention to bar them and that they must present their side by a set deadline.

Once the individual has made their submissions, a decision will be made as to whether the barring should be continued. If a decision to bar the individual is made then this will be reviewed within a reasonable timeframe of **three working days**.

8. Monitoring and review

This policy will be monitored and reviewed on an annual basis by the Head Teacher.

Amendments to the policy will be communicated to all relevant stakeholders.
