

Dear Parent/Carer

360 Play are partnering with 5 local schools during May to provide free play sessions for local families who attend these schools to give back to our community. As a chosen local school, 360 Play will be providing free entry to any pupil who attends **Battling Brook Primary School** on **Thursday 14th May from 4-6pm**. To take part all you will need to do is bring along a letter (provided by your school), your bookbag or wear your school uniform to receive free entry to our centre. Our receptionists will sign you into our building to enjoy a free afternoon with your little one's friends and families. It's the perfect opportunity to get to know your little one's class mates and their parents and to arrange some future playdates. Please see below some useful information ahead of your visit:
