An exciting opportunity has arisen to join our strong preschool team who know the importance of early years.

We are looking to appoint a childcare and education assistant who is confident in Early Years excellence. Someone who values purposeful child interactions, laughter, play, structure and teamwork.

We are an ambitious, caring school who continually strive for the best for our children. We see care as having high expectations; nurturing our pupils; rules and routines. We do what's right for the children in our context, no matter their background. If you have a strong commitment to becoming part of team delivering high standards of teaching and learning in EYFS, then we would love to hear from you.

You will:

- be passionate about making a difference to the lives of our pupils, both academically and emotionally
- work within a team of skilled & enthusiastic staff
- be eager to develop your own practice further
- have a sense of humour (teaching's tough, so we need to be able to laugh at ourselves!)

We can offer:

- a friendly, supportive shoulder
- An experienced and supportive Early Years lead
- experienced, intelligent and friendly staff
- little humans who are just waiting for you to enrich their lives!
